RESERVATIONS

All treatments require a previous reservation. Treatments can be reserved personally at the reception of the Rogaška Medical Centre, by phone or via e-mail.

ARRIVAL

To start each treatment at the Rogaška Medical Centre in a relaxed way we ask you to arrive 15 minutes before the beginning of the treatment. If you are late, the treatment will unfortunately not be carried out entirely.

We also ask:

- to switch your mobile phone off when arriving to the Rogaška Medical Centre;
- do not carry valuable personal possessions (jewellery, keys, mobile phones, etc.) with you.

The Rogaška Medical Centre staff are not responsible in the event of theft.

PAYMENT

We kindly ask that you pay for the services before starting the treatment. Payment can be made in cash or by credit card.

CHANGING THE THERAPY SCHEDULE

If you wish to change the confirmed scheduled time of your appointment, you may do so twice at the most and at least 24 hours before the treatment. For every subsequent change of a single appointment for a single therapy, you will be charged a fee of € 20.00.

CANCELLATION OF A RESERVATION

If you wish to cancel a reserved treatment, we ask that you do so at least 24 hours in advance. In the event that you fail to cancel an appointment, you will be charged the full price of the therapy, regardless of your attendance.

INFORMATION

We are available on +386 3 811 7015 and on info@rogaska-medical.com.

GIFT VOUCHERS

Surprise your loved ones with a gift voucher. Give them a path towards health. Give a gift voucher for any treatment at the Rogaška Medical Centre or leave the choice up to the recipient of the gift voucher. Gift vouchers can be bought at the reception, ordered by phone or via e-mail.

BALNEOTHERAPY

Medical examinations

Medical examination by a balneologist (with therapies)	€ 45.00
Medical examination by a balneologist (without therapies)	€ 70.00
Extended balneological specialist examination by a physiatrist	€ 80.00
Follow-up examination	€ 25.00

Water drinking therapy

DRINKING TREATMENT WITH THE DONAT MG HEALING MINERAL WATER FROM THE SPRING

Single therapy	€ 3.50
Up to 3 days	€ 27.00
Up to 5 days	€ 38.00
Up to 7 days	€ 60.00
Up to 10 days	€ 70.00
Up to 14 days	€ 80.00
Up to 30 days	€ 100.00

Mineral and other baths

Mineral bath	€ 28.00
Magnesium bath	€ 29.00
Herbal bath	€ 27.00
Pearl massage bath with natural herbal supplements	€ 29.00
Soda bath	€ 29.00
Underwater massage	€ 30.00
RECOMMENDED Package offer: 5 x mineral bath	€ 120.00

Fango wraps*

1 unit	€ 21.00
2 units	€ 27.00
3 units	€ 31.00
4 units	€ 36.00
5 units	€ 38.00
6 or more units	€ 42.00

*The service can only be used if prescribed by the doctor.

Dry CO₂/carbon dioxide bath

Dry carbon dioxide bath	€ 45.00
-------------------------	---------

Inhalation therapy

Inhalation therapy with mineral water or herbs or additional medication (10 minutes)	€ 17.00
--	---------

DIAGNOSTICS

Specialist examinations and diagnostics

GASTROENTEROLOGY

Specialist examination by a gastroenterologist	€ 80.00
Esophagogastroduodenoscopy – upper gastrointestinal endoscopy with a written result and opinion	€ 180.00
Deep sedation during esophagogastroduodenoscopy	€ 190.00
Analgesedation during esophagogastroduodenoscopy	€ 130.00
Colonoscopy – lower gastrointestinal endoscopy with a written result and opinion	€ 300.00
Deep sedation during colonoscopy	€ 215.00
Analgesedation during colonoscopy	€ 130.00
Deep sedation during esophagogastroduodenoscopy and colonoscopy	€ 290.00
Analgesedation during esophagogastroduodenoscopy and colonoscopy	€ 180.00
Polypectomy, individual polyp	€ 38.00
Polypectomy equipment for single use	from € 27.00
Histology (1 bottle)	€ 80.00
¹³ C urea – breath test for Helicobacter pylori	€ 75.00
Endoscopic ultrasound of lower gastrointestinal tract	€ 490.00
Endoscopic ultrasound of upper gastrointestinal tract with analgesedation	€ 580.00

CARDIOLOGY

Specialist examination by a cardiologist with ECG examination*	€ 90.00
Spiroergometry	€ 150.00
Cycloergometry	€ 95.00
Holter	€ 73.00
Heart rhythm monitoring for up to 14 days	€ 105.00
Spirometry	€ 40.00
24-hour blood pressure measurement	€ 46.00
Heart ultrasound	€ 120.00
Stress heart ultrasound	€ 280.00
Complex transthoracic heart ultrasound	€ 250.00

*The service is only performed in combination with the examinations at the doctor's discretion.

MRI SERVICES

MRI OF THE HEAD AND NECK	
MRI of the head	€ 230.00
MR TOF	€ 230.00
MRI of the face and other	€ 230.00
MRI of the neck	€ 230.00
MRI under the protocol for epilepsy	€ 230.00
MRI multiple sclerosis	€ 230.00
MRI of temporomandibular joints	€ 230.00

MRI under the protocol for the pituitary gland	€ 230.00
MRI under the protocol for neurovascular conflict + TOF	€ 360.00
MRI of the head with contrast agent	€ 290.00
MRI of the face and other with contrast agent	€ 290.00
MRI of the neck with contrast agent	€ 290.00
MRI under the protocol for epilepsy with contrast agent	€ 290.00
MRI multiple sclerosis with contrast agent	€ 360.00
MRI of temporomandibular joints with contrast agent	€ 290.00
MRI OF THE MUSCULOSKELETAL SYSTEM	
MRI of joint (shoulder/elbow/wrist/arm/hip/knee/ankle/foot/sacroiliac joint etc.)	€ 230.00
MRI of the pelvis and hips	€ 230.00
MRI arthrography (hip, shoulders, wrist)	€ 360.00
MRI of muscles, tumors in soft tissue structures	€ 230.00
MRI of spine (neck/chest/lumbar area)	€ 230.00
MRI of the whole spine	€ 550.00
MRI under the protocol for as: CH, TH, LSH + SIS (Axial spondyloarthritis)	€ 550.00
MRI of joint with contrast agent (shoulder/elbow/wrist/arm/hip/knee/ankle/foot/sacroiliac joint etc.)	€ 290.00
MRI of the pelvis and hips with contrast agent	€ 290.00
MRI of muscles, tumors in soft tissue structures with contrast agent	€ 290.00
MRI of spine with contrast agent (cervical/thoracic/lumbosacral)	€ 290.00
MRI OF THE THORAX AND ABDOMEN	
MRI of the thorax and lungs	€ 230.00
MRI of the abdominal organs (liver, gall bladder, kidney, adrenal gland, pancreas, spleen, bladder)	€ 230.00
MRI of the liver	€ 230.00
MRI of breast implants	€ 230.00
MRCP (examination of the bile system, bile ducts)	€ 230.00
MRI of the pelvic floor (prostate, rectum, cervix, ovarian lesion)	€ 230.00
MRI enterography with contrast agent (intestinal exam)	€ 290.00
MRI of the thorax and lungs with contrast agent	€ 290.00
MRI of the abdominal organs with contrast agent	€ 290.00
MRI of the liver with contrast agent	€ 440.00
MRI of the breast with contrast agent	€ 290.00
MRI of the pelvic floor with contrast agent (prostate, rectum, cervix, ovarian lesion)	€ 290.00
MRI OF THE ANGIOGRAPHY	
MRA of individual regions with contrast agent	€ 290.00
MRA of the arteries of the pelvis and the lower limbs with contrast agent	€ 360.00
CARDIAC MRI	
Cardiac MR	€ 440.00
Cardiac MRI with contrast agent	€ 550.00

SPECIAL MRI

MRI of the whole body	€ 900.00
-----------------------	----------

MRA (venous system imaging) of the whole body with contrast agent	€ 900.00
---	----------

Second opinion	€ 80.00
----------------	---------

* The Gadovist contrast agent is used for contrast examinations and Primovist is used for liver examinations.

ADDITIONAL PAYMENTS

Additional payment for anaesthesia – one examination	€ 250.00
--	----------

Additional payment for anaesthesia – two examinations	€ 350.00
---	----------

ULTRASOUND

Abdominal ultrasound	€ 75.00
----------------------	---------

Soft cervical tissue (thyroid or lymph nodes or salivary gland) ultrasound	€ 65.00
--	---------

Ultrasound of cervical arteries	€ 85.00
---------------------------------	---------

Ultrasound of lower limb veins and arteries	€ 115.00
---	----------

Ultrasound of lower limb arteries	€ 80.00
-----------------------------------	---------

Ultrasound of lower limb veins	€ 80.00
--------------------------------	---------

Muscular-skeletal ultrasound	€ 65.00
------------------------------	---------

Scrotum (testicles) ultrasound	€ 65.00
--------------------------------	---------

X-RAY EXAMINATION

Special X-ray of the skeleton (each joint)	€ 30.00
--	---------

Spinal X-ray (each region)	€ 30.00
----------------------------	---------

Imaging of the pelvis with hips	€ 35.00
---------------------------------	---------

Thoracic organ X-ray	€ 35.00
----------------------	---------

Native abdominal X-ray	€ 30.00
------------------------	---------

Second opinion	€ 45.00
----------------	---------

GYNAECOLOGY

Gynaecological check-up with breast examination	€ 80.00
---	---------

PAP smear	€ 25.00
-----------	---------

Transvaginal ultrasound	€ 65.00
-------------------------	---------

Colposcopy	€ 75.00
------------	---------

Colposcopically targeted biopsy and histological examination	€ 150.00
--	----------

Vaginal douche with 20% borax glycerine	€ 15.00
---	---------

HPV typing	€ 75.00
------------	---------

Second opinion	€ 90.00
----------------	---------

Insertion of the Mirena intrauterine device	€ 125.00
---	----------

Removal of the Mirena intrauterine device	€ 50.00
---	---------

Insertion of the Pessar ring	€ 70.00
------------------------------	---------

PROCEDURES WITH A YAG LASER**STRESS URINARY INCONTINENCE (SUI)**

First procedure	€ 300.00
Second procedure	€ 250.00
Third and fourth procedure	€ 150.00

VAGINA TIGHTENING

First procedure	€ 300.00
Second procedure	€ 250.00
Third and fourth procedure	€ 150.00

VAGINA TIGHTENING AND TREATMENT OF STRESS URINARY INCONTINENCE AT THE SAME TIME

First procedure	€ 500.00
Second procedure	€ 400.00
Third and fourth procedure	€ 300.00

UROLOGY

Comprehensive urological treatment (targeted examination)	€ 270.00
Second opinion	€ 140.00

OTORHINOLARYNGOLOGY

Special examination by an otorhinolaryngologist	€ 80.00
Nasal endoscopy	€ 50.00
Examination of the upper respiratory tract in sedation	€ 210.00
Oesophagus, throat and trachea examination with flexible endoscope	€ 50.00
Second opinion	€ 90.00
Polysomnography with the interpretation of the results	€ 220.00

ORTHOPAEDICS

Special examination by an orthopaedist	€ 90.00
Administration of viscosupplement (work only)	€ 40.00
Viscosupplementation (Suplasyn) with administration	€ 200.00
Viscosupplementation with steroid (Cingal) with administration	€ 220.00
Blockage	€ 45.00
Second opinion	€ 90.00

PHYSIATRIC CLINIC

Specialist examination by a physiatrist	€ 80.00
Administration of vitamin C	€ 80.00
Viscosupplementation (Suplasyn) with administration	€ 200.00
Viscosupplementation with steroid (Cingal) with administration	€ 220.00
Administration of collagen – small area	€ 27.00
Administration of collagen – large area	€ 48.00

Photoplethysmography (one lower limb)	€ 36.00
Photoplethysmography (both lower limbs)	€ 48.00
Blockade	€ 45.00

NEUROLOGY

Specialist examination by neurologist	€ 80.00
---------------------------------------	---------

FOLLOW-UP SPECIALIST EXAMINATION

Follow-up specialist examination at a specialist clinic	€ 50.00
---	---------

BODY COMPOSITION MEASUREMENT

Body composition analysis including interpretation of the results	€ 28.00
---	---------

NUTRITION CONSULTATION

Nutrition consultation	€ 35.00
Follow-up nutritional consultation	€ 12.00
Body composition measurement and nutrition consultation	€ 45.00

Ask for an individual meal plan and long-term monitoring by the dietitian.

CLINICAL LABORATORY

At the clinical laboratory at the Rogaška Medical Centre, the following tests are performed: haemogram, ESR, coagulation, urine analysis, stool analysis, electrolytes, metabolites and substrates, enzymes, lipids, glycated haemoglobin, functional tests, tumour markers, diagnosing of anaemia, diagnosis of thyroid activity, specific proteins. Samples for numerous tests, such as hepatitis marker tests, HIV, Borrelia, allergological tests etc., are sent to specialized laboratories.

Laboratory tests package

The examination includes: blood count with the DBC, PT, examination of sedimentation, urine, blood sugar, creatinine, urea, cholesterol, HDL, LDL, triglyceride, bilirubin, proteins, albumins, AST, ALT, gamma GT, AF, amylase, lipase, iron, TSH, PSA, K, Na, Cl, Mg, Ca, P, urate, and faecal occult blood tests.

PRICE: € 135.00 (WOMEN); € 150.00 (MEN)

THE TRANSLATION OF THE MEDICAL RECORD

The translation costs of the medical record are not included in the price of service.

Acupuncture

Medical examination by an acupuncturist (20 minutes)	€ 45.00
Acupuncture (30 minutes)	€ 50.00
Acupuncture with moxibustion (45 minutes)	€ 69.00
Acupuncture with cupping (30 minutes)	€ 68.00
Acupuncture with cupping and auriculotherapy (40 minutes)	€ 90.00
Auriculotherapy (10 minutes)	€ 32.00
Neuromyotherapy (20 minutes)	€ 45.00
Electro stimulation neuromyotherapy (20 minutes)	€ 50.00

Pain-relief therapies

Medical examination (20 minutes)	€ 45.00
Carboxytherapy (one area)	€ 45.00
Prolotherapy	€ 97.00
PIT	€ 75.00

Targeted examinations

Gastroenterology

The examination includes:

- specialist examination by a gastroenterologist;
- laboratory tests package;
- abdominal ultrasound;
- gastroscopy;
- Helicobacter pylori test;
- colonoscopy.

PRICE: € 650.00

Cardiology

The examination includes:

- specialist examination by a cardiologist;
- laboratory tests package;
- ECG;
- spirometry;
- cycloergometry;
- heart ultrasound.

PRICE: € 410.00

Internal medicine

The examination includes:

- specialist examination by a internist;
- laboratory tests package;
- body composition measurement;
- nutrition consultation.

PRICE: € 250.00

Urology

The examination includes:

- specialist examination by a urologist;
- urotract ultrasound;
- laboratory tests package;
- uroflow (urine stream flow measurement);
- transrectal ultrasound.

PRICE: € 270.00

Gynaecology

The examination includes:

- specialist examination by a gynaecologist;
- PAP smear;
- transvaginal ultrasound;

PRICE: € 170.00

Allergology

The examination includes:

- specialist examination;
- skin allergy tests;
- total IgE.

PRICE: € 150.00

FREQUENT ADDITIONAL EXAMINATIONS AND PROCEDURES

Polypectomy (for each removed polyp)	€ 38.00
Biopsy and histology (1 bottle)	€ 80.00

OPTIONS THAT COMPLEMENT THE EXISTING PROGRAMME

MRI of the whole body	€ 900.00 (when choosing preventive examination € 700.00)
Specialist examination with an ultrasound of the lower limb veins and arterie	€ 150.00
Mole mapping with a Fotofinder	from € 25.00 to € 150.00
Deep sedation during esophagogastroduodenoscopy	€ 190.00
Analgo sedation during esophagogastroduodenoscopy	€ 130.00
Deep sedation during colonoscopy	€ 215.00
Analgo sedation during colonoscopy	€ 130.00
Deep sedation during esophagogastroduodenoscopy and colonoscopy	€ 290.00
Analgo sedation during esophagogastroduodenoscopy and colonoscopy	€ 180.00
Special examination by an otorhinolaryngologist	€ 80.00
Special examination by a orthopaedist	€ 90.00
Specialist examination by neurologist	€ 80.00
Estimation of functional state by a physiotherapist	€ 70.00
Relaxing energy techniques	€ 14.00
Combined manual therapy (50 minutes)	€ 72.00
Additional payment for anaesthesia – one MRI examination	€ 250.00
Additional payment for anaesthesia – two MRI examinations	€ 350.00

SURGERY

Hand surgery

Release of the median or ulnar nerve in the wrist — Carpal tunnel syndrome	€ 300.00
Removal of Dupuytren's contracture (based on the extent)	from € 500,00 to € 1.300,00
Arthroplasty of a worn out saddle joint of the thumb	€ 1.300,00
Release of the tendon flow – trigger finger	€ 100.00
Hand rejuvenation with filler injections (hyaluronic acid)	from € 500.00 to € 700.00
Hand rejuvenation with own fat tissue	from € 1,000.00 to € 2,000.00

Vascular surgery

VASCULAR SURGERY EXAMINATIONS

Specialist examination by a vascular surgeon	€ 80.00
Follow-up specialist examination	€ 50.00
Specialist examination with an ultrasound of the lower limb veins or arteries	€ 105.00
Specialist examination with an ultrasound of the lower limb veins and arteries	€ 150.00
Follow-up specialist examination with an ultrasound of lower limb veins or arteries	€ 90.00
Follow-up specialist examination with an ultrasound of lower limb veins and arteries	€ 110.00
Ultrasound of the lower limb veins and arteries	€ 115.00
Ultrasound of the lower limb arteries	€ 80.00
Ultrasound of the lower limb veins	€ 80.00
Ultrasound of the cervical arteries	€ 85.00

VASCULAR SURGICAL PROCEDURES

Removal of blood clots from varicose veins	€ 50.00
Phlebectomy (extensive procedure – several varicose veins on one leg)	€ 500.00
Phlebectomy (extensive procedure – one varicose vein along the entire length of one leg)	€ 300.00
Phlebectomy (less extensive procedure – one varicose vein on an individual part of one leg)	from € 150.00 to € 250.00
Laser closure of a larger vein	€ 500.00
EVLIT (laser closure, phlebectomy, compression stocking, check-ups, medicines, bandages)	€ 1,500.00
MOCA (treatment of affected major superficial veins)	€ 1,700.00

TREATMENT OF INDIVIDUAL RETICULAR VARICOSE VEINS

Per surface – 5 cm ² – first visit	€ 60.00
Per surface – 5 cm ² – second visit	€ 50.00
Per surface – 5 cm ² – third visit	€ 40.00
Individual reticular varicose veins	€ 22.00
Varicose sclerotherapy	€ 60.00
Spider vein sclerotherapy	€ 70.00

Aesthetic plastic surgery

EXAMINATION BY AN AESTHETIC PLASTIC SURGEON

Specialist examination by an aesthetic plastic surgeon	€ 70.00
Extended aesthetic exam/detailed analysis of face, cleavage and arms	€ 150.00

REMOVAL OF SKIN LESIONS

Removal of one skin lesion	€ 100.00
Removal of two skin lesions	€ 170.00
Removal of three skin lesions	€ 200.00
Removal of a facial skin lesion	from € 150.00 to € 200.00
Removal of skin lesions and covering with local skin	from € 250.00 to € 350.00
Corrective surgery for scars	from € 100.00 to € 700.00
Extirpation of soft-tissue formation	€ 150.00

FACIAL AESTHETIC PROCEDURES

Corrective surgery of protruding ears	from € 1,100.00 to € 1,700.00
Blepharoplasty of the upper eyelids	from € 1,000.00 to € 1,600.00
Blepharoplasty of the lower eyelids	from € 1,600.00 to € 2,500.00
Blepharoplasty of the upper and lower eyelids	from € 2,300.00 to € 3,700.00
Minimally invasive correction of horizontal forehead lines	€ 700.00
Correction of vertical forehead lines	from € 400.00 to € 900.00
Forehead lift and brow lift	€ 1,900.00
Lifting of the middle parts of the face	€ 3,500.00
Upper and lower eyelid correction with forehead lift	from € 3,500.00 to € 4,000.00
Neck lift	€ 3,500.00
Facelift	from € 5,000.00 to € 8,000.00
Double chin laser lipolysis	€ 1,300.00
Corrective nose surgery	from € 2,000.00 to € 3,000.00
Corrective nose surgery with hyaluronic acid	from € 500.00 to € 700.00
Lip enlargement by injection of own fat tissue	€ 1,000.00
Surgical lip rejuvenation	from € 500.00 to € 900.00
Facial rejuvenation by injection of own fat tissue	€ 2,000.00
Face rejuvenation with the patient's own fat tissue and concentrated stem cells	€ 5,500.00
Hair transplant	from € 1,500.00 to € 4,000.00

SURGICAL BODY SCULPTING

Laser lipolysis treatment	from € 1,200.00 to € 1,500.00
Laser lipolysis treatment with vibro liposuction	from € 2,000.00 to € 4,000.00
Male breast reduction – gynecomastia, one side	€ 1,600.00
Male breast reduction – gynecomastia, both sides	€ 2,400.00
Nipple and areola correction, one side	€ 1,100.00
Nipple and areola correction, both sides	€ 1,300.00

Correction of loose upper arm skin – brachioplasty	from € 2,000.00 to € 3,000.00
Correction of loose thigh skin – femoroplasty	€ 2,700.00
Rejuvenation of the labia majora – labiaplasty	€ 1,100.00
Rejuvenation of the labia majora volume with hyaluronic acid	€ 900.00
Rejuvenation of the labia majora with own fat tissue	€ 1,200.00
Bandaging after small procedures	€ 18.00
Breast implants	€ 4,000.00
Mini abdominoplasty under general anesthesia	from € 1,500.00 to € 1,800.00
Extensive umbilical float abdominoplasty	from € 3,500.00 to € 4,500.00

Otorhinolaryngology

EXAMINATION BY AN OTORHINOLARYNGOLOGIST

Special examination by an otorhinolaryngologist	€ 80.00
---	---------

SURGICAL PROCEDURES

Removal of one skin lesion	€ 100.00
Removal of two skin lesions	€ 170.00
Removal of three skin lesions	€ 200.00
Removal of skin lesions and covering with local skin	€ 300.00
Facial scar correction	€ 400.00
Soft palate resection under general anaesthesia (uvulopalatoplasty)	€ 1,700.00
Resection of the nasal septum under local anaesthesia (septoplasty)	€ 1,200.00
Resection of the nasal septum under general anaesthesia (septoplasty)	€ 1,600.00
Turbinate reduction with radiofrequency (RF Mucotomy)	€ 300.00
Meatoplasty of narrow ear canals (one side)	€ 350.00
Removal of mouth and oesophagus mucous membrane alterations	from € 50.00 to € 200.00
Histology (1 bottle)	€ 80.00

Gynaecology

Diagnostic hysteroscopy (examination)	€ 500.00
Hysteroscopic resection of the septum and resolving minor adhesions	€ 600.00
Hysteroscopic endometrial biopsy with histological analysis	€ 750.00
Hysteroscopic removal of a small polyp by histological analysis	€ 800.00
Performing procedure under general anaesthesia	€ 250.00

PHYSIOTHERAPY

Medical examinations

Specialist examination by a physiatrist	€ 80.00
Follow-up specialist examination	€ 50.00

Manual therapy

Combined manual therapy (CYRIAX orthopedic medicine, fascia manipulation, nerve and joint mobilization, myofascial triggering points, EMMETT, etc.) (30 minutes)	€ 50.00
Combined manual therapy (CYRIAX orthopedic medicine, fascia manipulation, nerve and joint mobilization, myofascial triggering points, EMMETT, etc.) (50 minutes)	€ 72.00
Bowen therapy (50 minutes)	€ 64.00
Dr. Vodder lymph drainage therapy (30 minutes)	€ 42.00
Dr. Vodder lymph drainage therapy (50 minutes)	€ 54.00
Dr. Vodder lymph drainage therapy with other combined techniques (after a surgery) (70 min)	€ 67.00

RECOMMENDED | Package offer: 5 x combined manual therapy (50 minutes) € 305.00

Kinesiotherapy

Individual therapeutic exercise sessions (30 minutes)	€ 28.00
Individual therapeutic exercise sessions - DNS technique (30 minutes)	€ 28.00
Physiotherapeutic treatment of incontinence (30 minutes)	€ 37.00
Relaxing energy techniques (40 minutes)	€ 14.00

Kinesiological training

Kinesiological training (60 minutes)	€ 61.00
Vital training (40 minutes)	€ 43.00
